NYU Guest Network WiFi Access

Note: This is NOT a Secure Connection

1. Connect to network called "nyuguest"
 - (you *may* have to change advanced settings to "Use Windows to Configure Network Setting")
2. Open Web browser (Internet Explorer, Google Chrome, Firefox, etc...)
3. Logon: with the following info:

If you need assistance, call the ITS Client Services Center at 212-998-3333 or send email to its.clientservices@nyu.edu
