January-June 2015 vs. January-June 2013.*

[Redacted]

If you live or work in Salt Lake City, please let your city council, mayors office, and Downtown Alliance know that you prefer the "Greenway" bike-lane for 200 W instead of "Satan's Parking and Maze" bike-lane that was done on 300 S. It is cheaper, looks nicer, contains more parking, can be snow plowed, and has less chance for cyclist collision.
