

BRING A NACTO TRAINING TO YOUR CITY!

Government at all levels, professional associations, and other organizations are invited to request a NACTO training. Please submit this application and we'll be in touch!

Note: To ensure data is saved, please open this file in Adobe Acrobat, not your web browser.

Contact name:

Title, Organization:

City, State/Province:

Email address:

Phone number:

Anticipated date: *We recommend contacting NACTO 3 months in advance of the desired training date.*

Training topics: *What are the priority topics for trainers to address? What are the hot topics in your city?*

Audience: *Approximately how many people will be attending your training? What professional backgrounds do they have, or what roles do they play in your city, government, organization?*

Charrette site: *Do you have a problem site in your city—an existing street, intersection, or bikeway for example—that you would like to examine in a workshop? The most useful trainings focus on a site whose lessons could apply to other problem sites in your city, or can be directly applied to a project in an early phase.*

Funding: *Are funding sources available for the workshop from local foundations, civic groups, or sponsors, or must costs be covered by participant registration?*

Venue: *Do you have a space available for the number of participants you plan to host for your training workshop, and for an evening event if applicable?*

Submit! *Click the button at right to automatically submit this PDF form by email.*

If you are having trouble, save the completed form and email it to nacto@nacto.org
