

CITIES IN THE DRIVER SEAT

NACTO 2017

Jennifer Cohen

Director of Government Affairs

THE QUESTION

Role of
Government

The diagram consists of three dark blue circles with white outlines, arranged horizontally. The first circle on the left contains the text 'Role of Government'. To its right is a white plus sign. The second circle in the middle contains the text 'Automation'. To its right is a white equals sign. The third circle on the right contains the text 'Something New?'.

+

Automation

=

Something
New?

WHAT'S CHANGING

- Drivers
 - Vehicle components
 - Safety
 - Role of Data
 - Ownership
 - Local laws
 - Liability
 - Transportation Needs
 - Directives from voters/electeds
-
- The diagram uses three large white curly braces to group the items in the list. The top brace groups 'Drivers', 'Vehicle components', 'Safety', and 'Role of Data', with the word 'Yes' to its right. The middle brace groups 'Ownership', 'Local laws', and 'Liability', with the word 'Maybe' to its right. The bottom brace groups 'Transportation Needs' and 'Directives from voters/electeds', with the word 'No' to its right.
- Yes
- Maybe
- No
