Roadshow

Columbus

May 31-June 1, 2018

NACTO and its Affiliate Members are proud to bring together city staff and advocates from cities around the Columbus region to explore common opportunities and challenges in bikeway implementation.

This 2-day Bikeways Roadshow will include presentations from attendees, tours of bike infrastructure in Columbus, and a hands-on bikeway design charrette led by NACTO staff.

Thanks to our generous sponsors for making this Roadshow possible:

Event Location

Mid-Ohio Regional Planning Commission (MORPC)

111 Liberty Street, Suite 100
Columbus, OH 43215
