COMPLETE STREETS TUCSON: ENGAGEMENT, ADOPTION, ACTION

FEB 2019: Tucson Mayor and Council unanimously adopted the City of Tucson Complete Streets Policy after a year-long community outreach effort in partnership with local non-profit, Living Streets Alliance.

COMMUNITY ENGAGEMENT *by the numbers*

- **37** businesses, organizations & agencies represented on Task Force
- **1500+** community members engaged
- **44** presentations to neighborhood groups
- **15** "Rethinking Streets" workshops
- **4** pop-up events

PLAN → ACTION

February 2019 - Present

- Hired Complete Streets **Project Manager**
- Established Complete Streets **Coordinating Council**
- Updating **Roadway Design Guidelines**
- Initiating long-range **Mobility Master Plan**
- **South 12th Ave** Complete Street Transformation Project (see rendering)

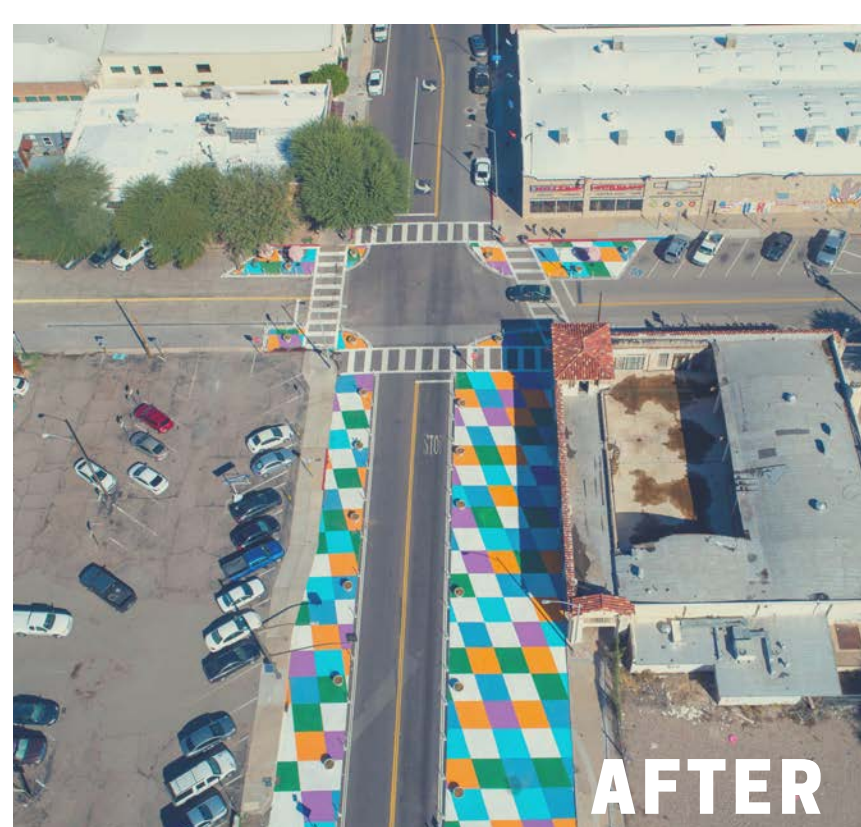

TUCSON'S FIRST QUICK-BUILD PROJECT

OCT 2018: Tucson's first tactical urbanism project transformed the Corbett Porch intersection with low-cost materials like paint, flexible posts, and planters. This project helped develop an internal process for lighter, quicker, cheaper traffic safety improvements and creative placemaking opportunities.

BEFORE

AFTER

HIGHLIGHTS

BUILDING SUPPORT

- partnered with 8 local organizations
- engaged 155 volunteers
- built internal agency support

SAFETY & MOBILITY

- narrowed pedestrian crossing distance
- improved stop sign compliance

ACTIVATING PUBLIC SPACE

- reclaimed space for biking, walking and community events

NEW MODEL FOR PROJECT DELIVERY

- streamlined process for future quick-build projects
