

TRAFFIC ENGINEER

The City of Dubuque, Iowa (population 58,000) invites applications for the position of Traffic Engineer. The successful candidate will be responsible for providing support for transportation design and traffic engineering projects to ensure pedestrian and vehicular safety. The successful candidate will possess some traffic engineering experience; experience working with a diverse workforce and population; a Bachelor's Degree from an accredited college or university with major course work in Civil Engineering, Transportation Engineering, Traffic Engineering or related field; or any equivalent combination of experience and training which provides the essential knowledge, skills and abilities. Certification as an Engineer-In-Training (EIT) is required. The successful candidate will possess a demonstrated ability to follow a management style that is input oriented and values equity, problem solving and the development of partnerships and desire to be part of an organization that values service, people, integrity, responsibility, innovation and teamwork. The City offers an annual salary range of \$62,857 to \$82,118, and an attractive benefit package which includes twelve weeks of paid parental leave. To register to receive the take-home Civil Service Examination, submit an electronic City of Dubuque Employment Application for this position by September 16, 2019 at www.cityofdubuque.org/employment. Once the job posting has expired, the take-home examination will be provided to all applicants who have registered to take it. For assistance or questions with the application process, please contact the City of Dubuque Human Resources Department located at City Hall, 50 West 13th Street, Dubuque, Iowa 52001-4864, call 563-589-4125 or email citypers@cityofdubuque.org. To view the position description and benefit summary, please access www.cityofdubuque.org/employment or find it posted on the job bulletin board in the Human Resources Department at City Hall. Women, minorities, veterans and qualified persons with disabilities are encouraged to apply. EOE.
