

Public Works COVID-19 Guidance

FIELD WORK BEST PRACTICES

<p>If you are sick, stay home. If your employees are sick, send them home.</p> 	<p>Stay at least 6 feet away from each other.</p> 	<p>Wash hands frequently with soap and water for at least 20 seconds. Use sanitizer if soap and water are not available.</p> 
<p>Avoid touching your face with your hands if your hands have not just been washed or disinfected.</p>	<p>Cover coughs and sneezes with your elbow or a facial tissue.</p>	<p>Avoid congregating in common areas. Limit the number of people in locker rooms or field trailers at the same time.</p>
<p>Minimize time spent in work vehicles with others.</p> 	<p>Clean and disinfect frequently touched objects and surfaces.</p> 	<p>Keep fresh air coming into the vehicle using the vehicle's ventilation or by opening windows.</p> 
<p>Limit the number of people in work vehicles to a driver and one passenger who are as separated as possible (one person may have to sit in the back)</p>	<p>Self-isolate, if any family members have contracted COVID-19 per CDC guidelines.</p>	<p>Clean all work equipment before and after each use.</p>
