

Project Coordinator – Corridor Program Office

Austin Transportation Department

City of Austin, Texas

<https://www.austincityjobs.org/postings/105581>

The Project Coordinator position, within the Corridor Program Office, will participate in a cross-functional team to develop and implement the Corridor Mobility Program and the I-35 Cap and Stitch Program. This position will work directly with CPO's Executives and leadership team to administer and coordinate the delivery of capital improvements that provide safety, mobility, and connectivity, as well as a variety of complete community outcomes.

Preferred Qualifications:

- Experience in supporting Executives, Management and team members in problem solving within a fast-paced, deadlines-driven environments.
- Experience in the resolution of conflicts of competing priorities and difficult situations, by providing supporting documentation, policies, and procedures, and exercising sound judgment, tact, and diplomacy in all internal and external contacts.
- Experience coordinating schedules and tracking work progress, milestones and ensuring follow-up and follow-through on action items.
- Experience coordinating between different disciplines to achieve overall shared program/project goals.
- Experience developing presentations and knowledge of City of Austin and other software applications such as eCapris, AMANDA, PowerPoint, Excel, GIS, or Project Management Information System software.

Minimum Qualifications:

- Graduation with a Bachelor's degree from an accredited college or university with major course work in a related field, plus three (3) years of experience in construction, engineering, architecture, or related work.
- Experience may substitute for education up to a maximum of four (4) years.

Licenses or Certifications:

- May require a valid Texas driver license.
- **To be considered for this position, candidates must apply online at:**
