

# City of Milwaukee

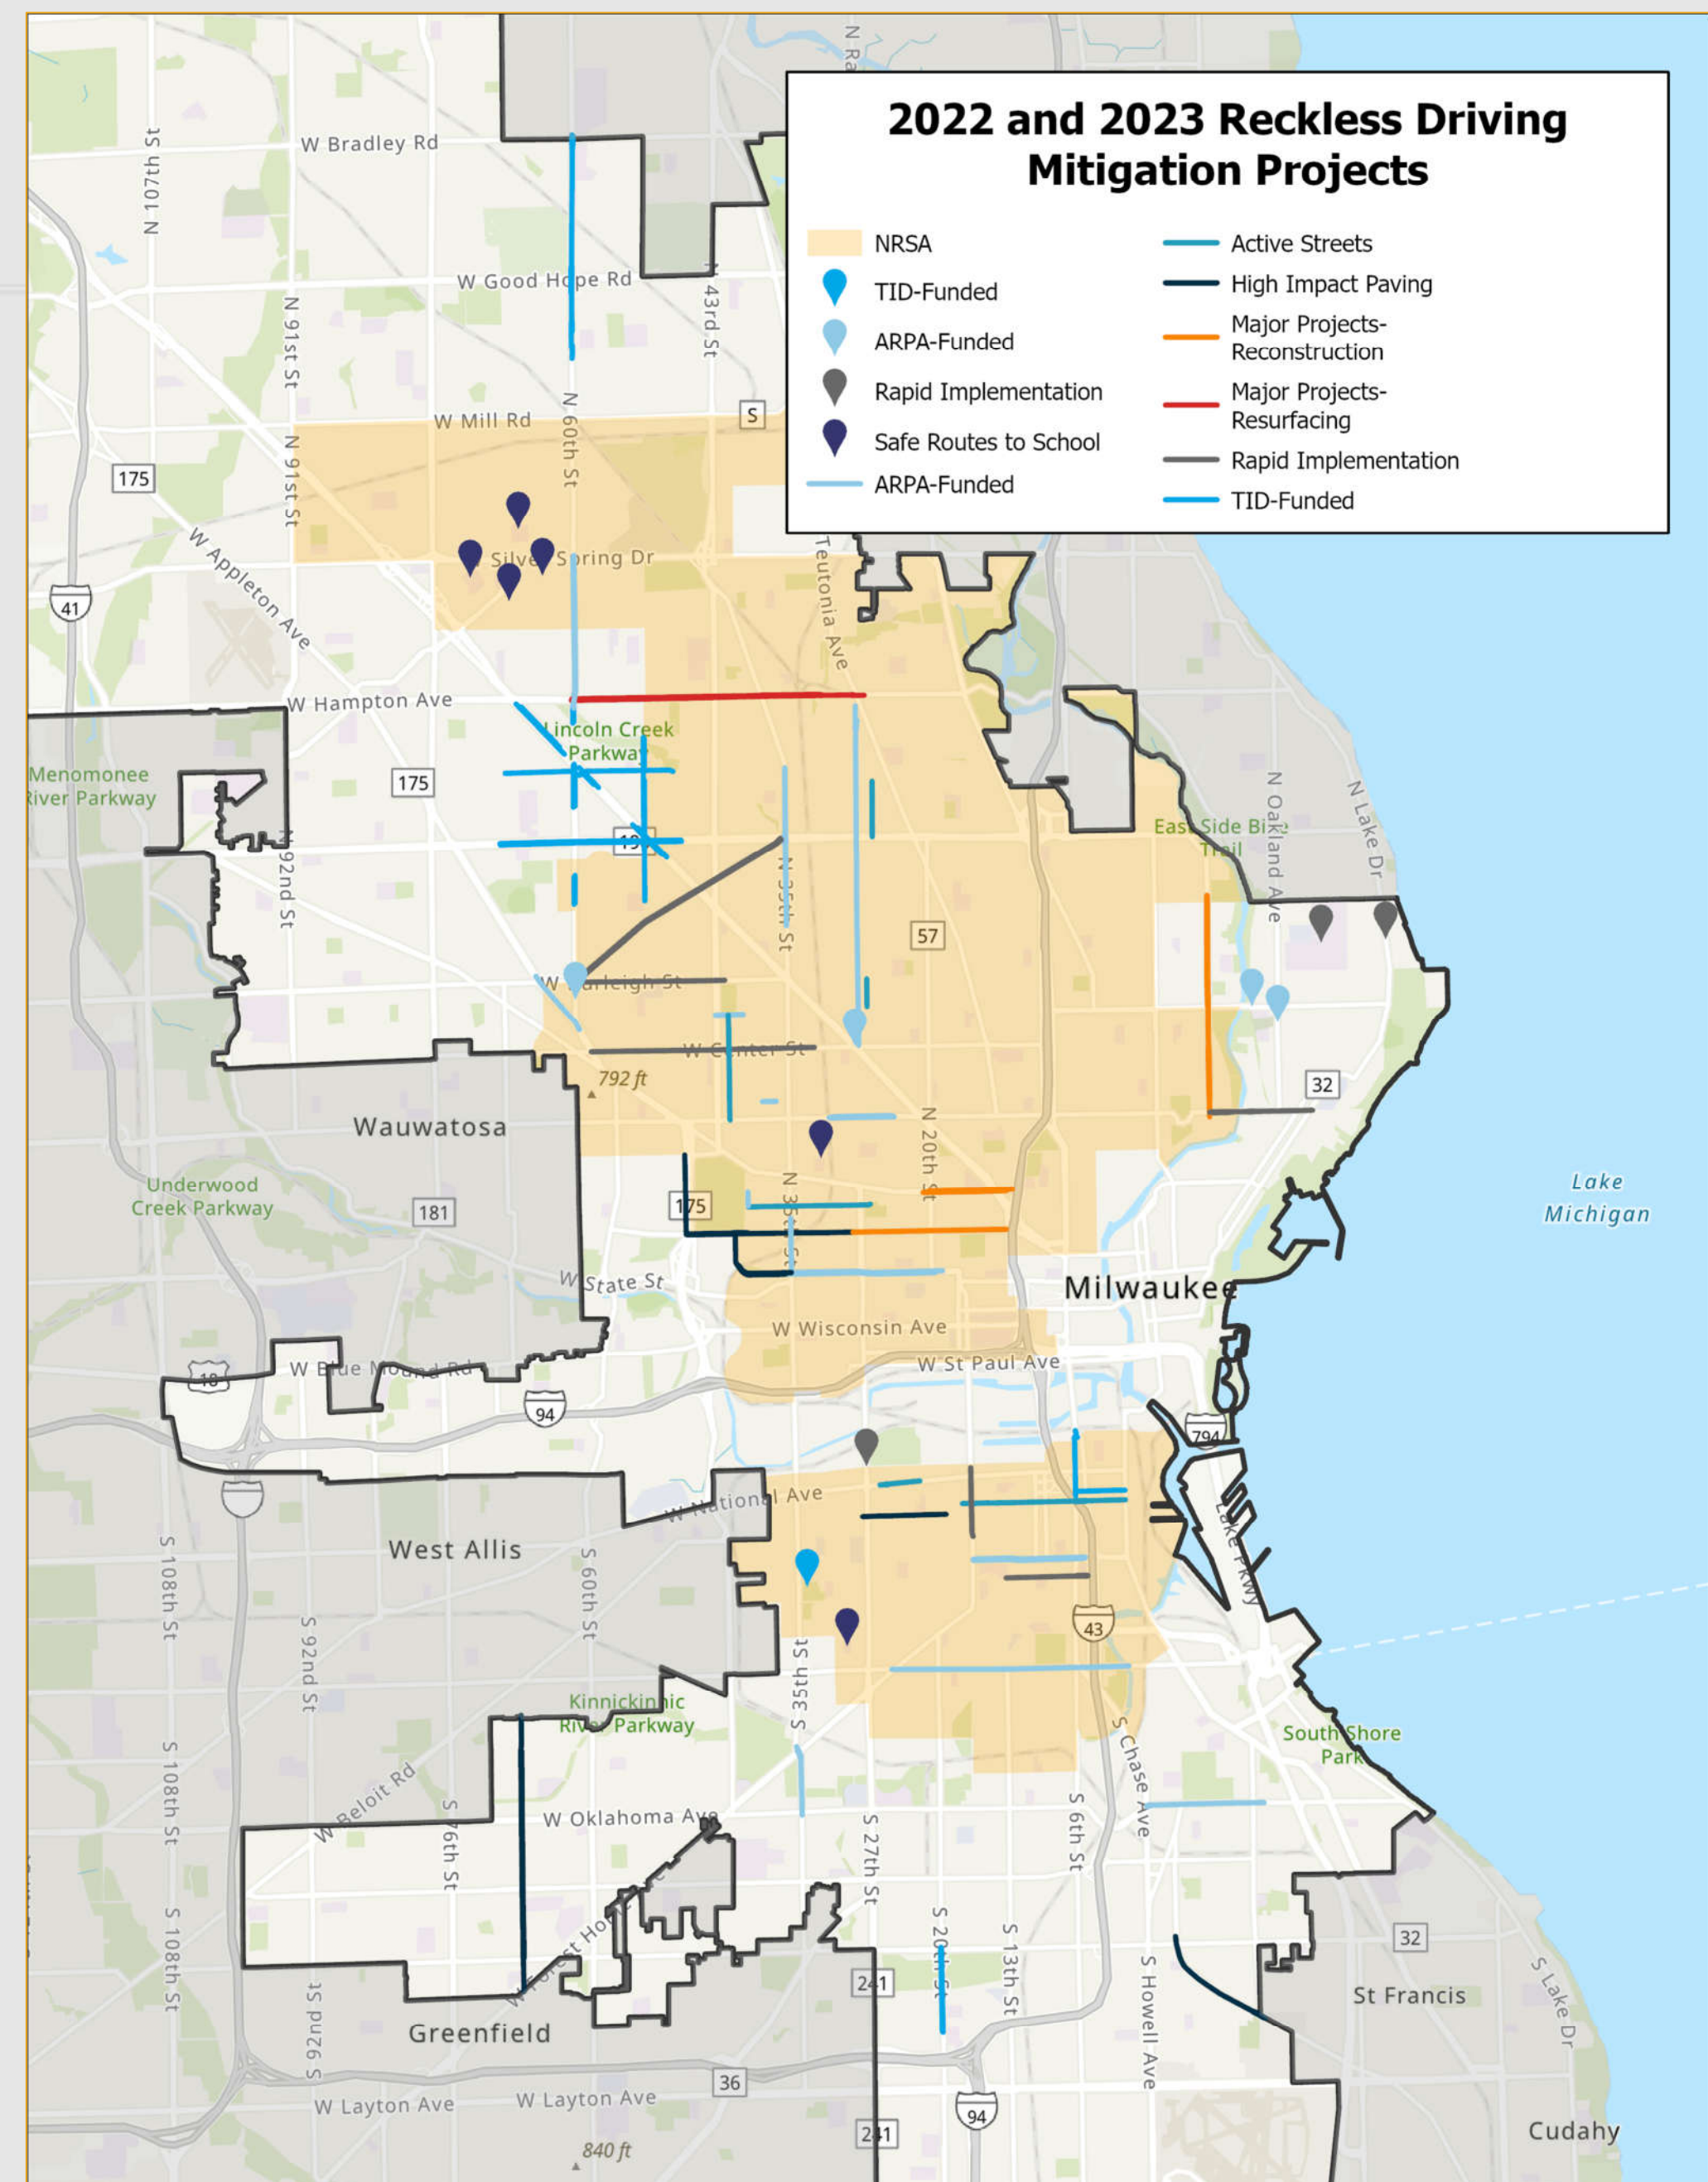

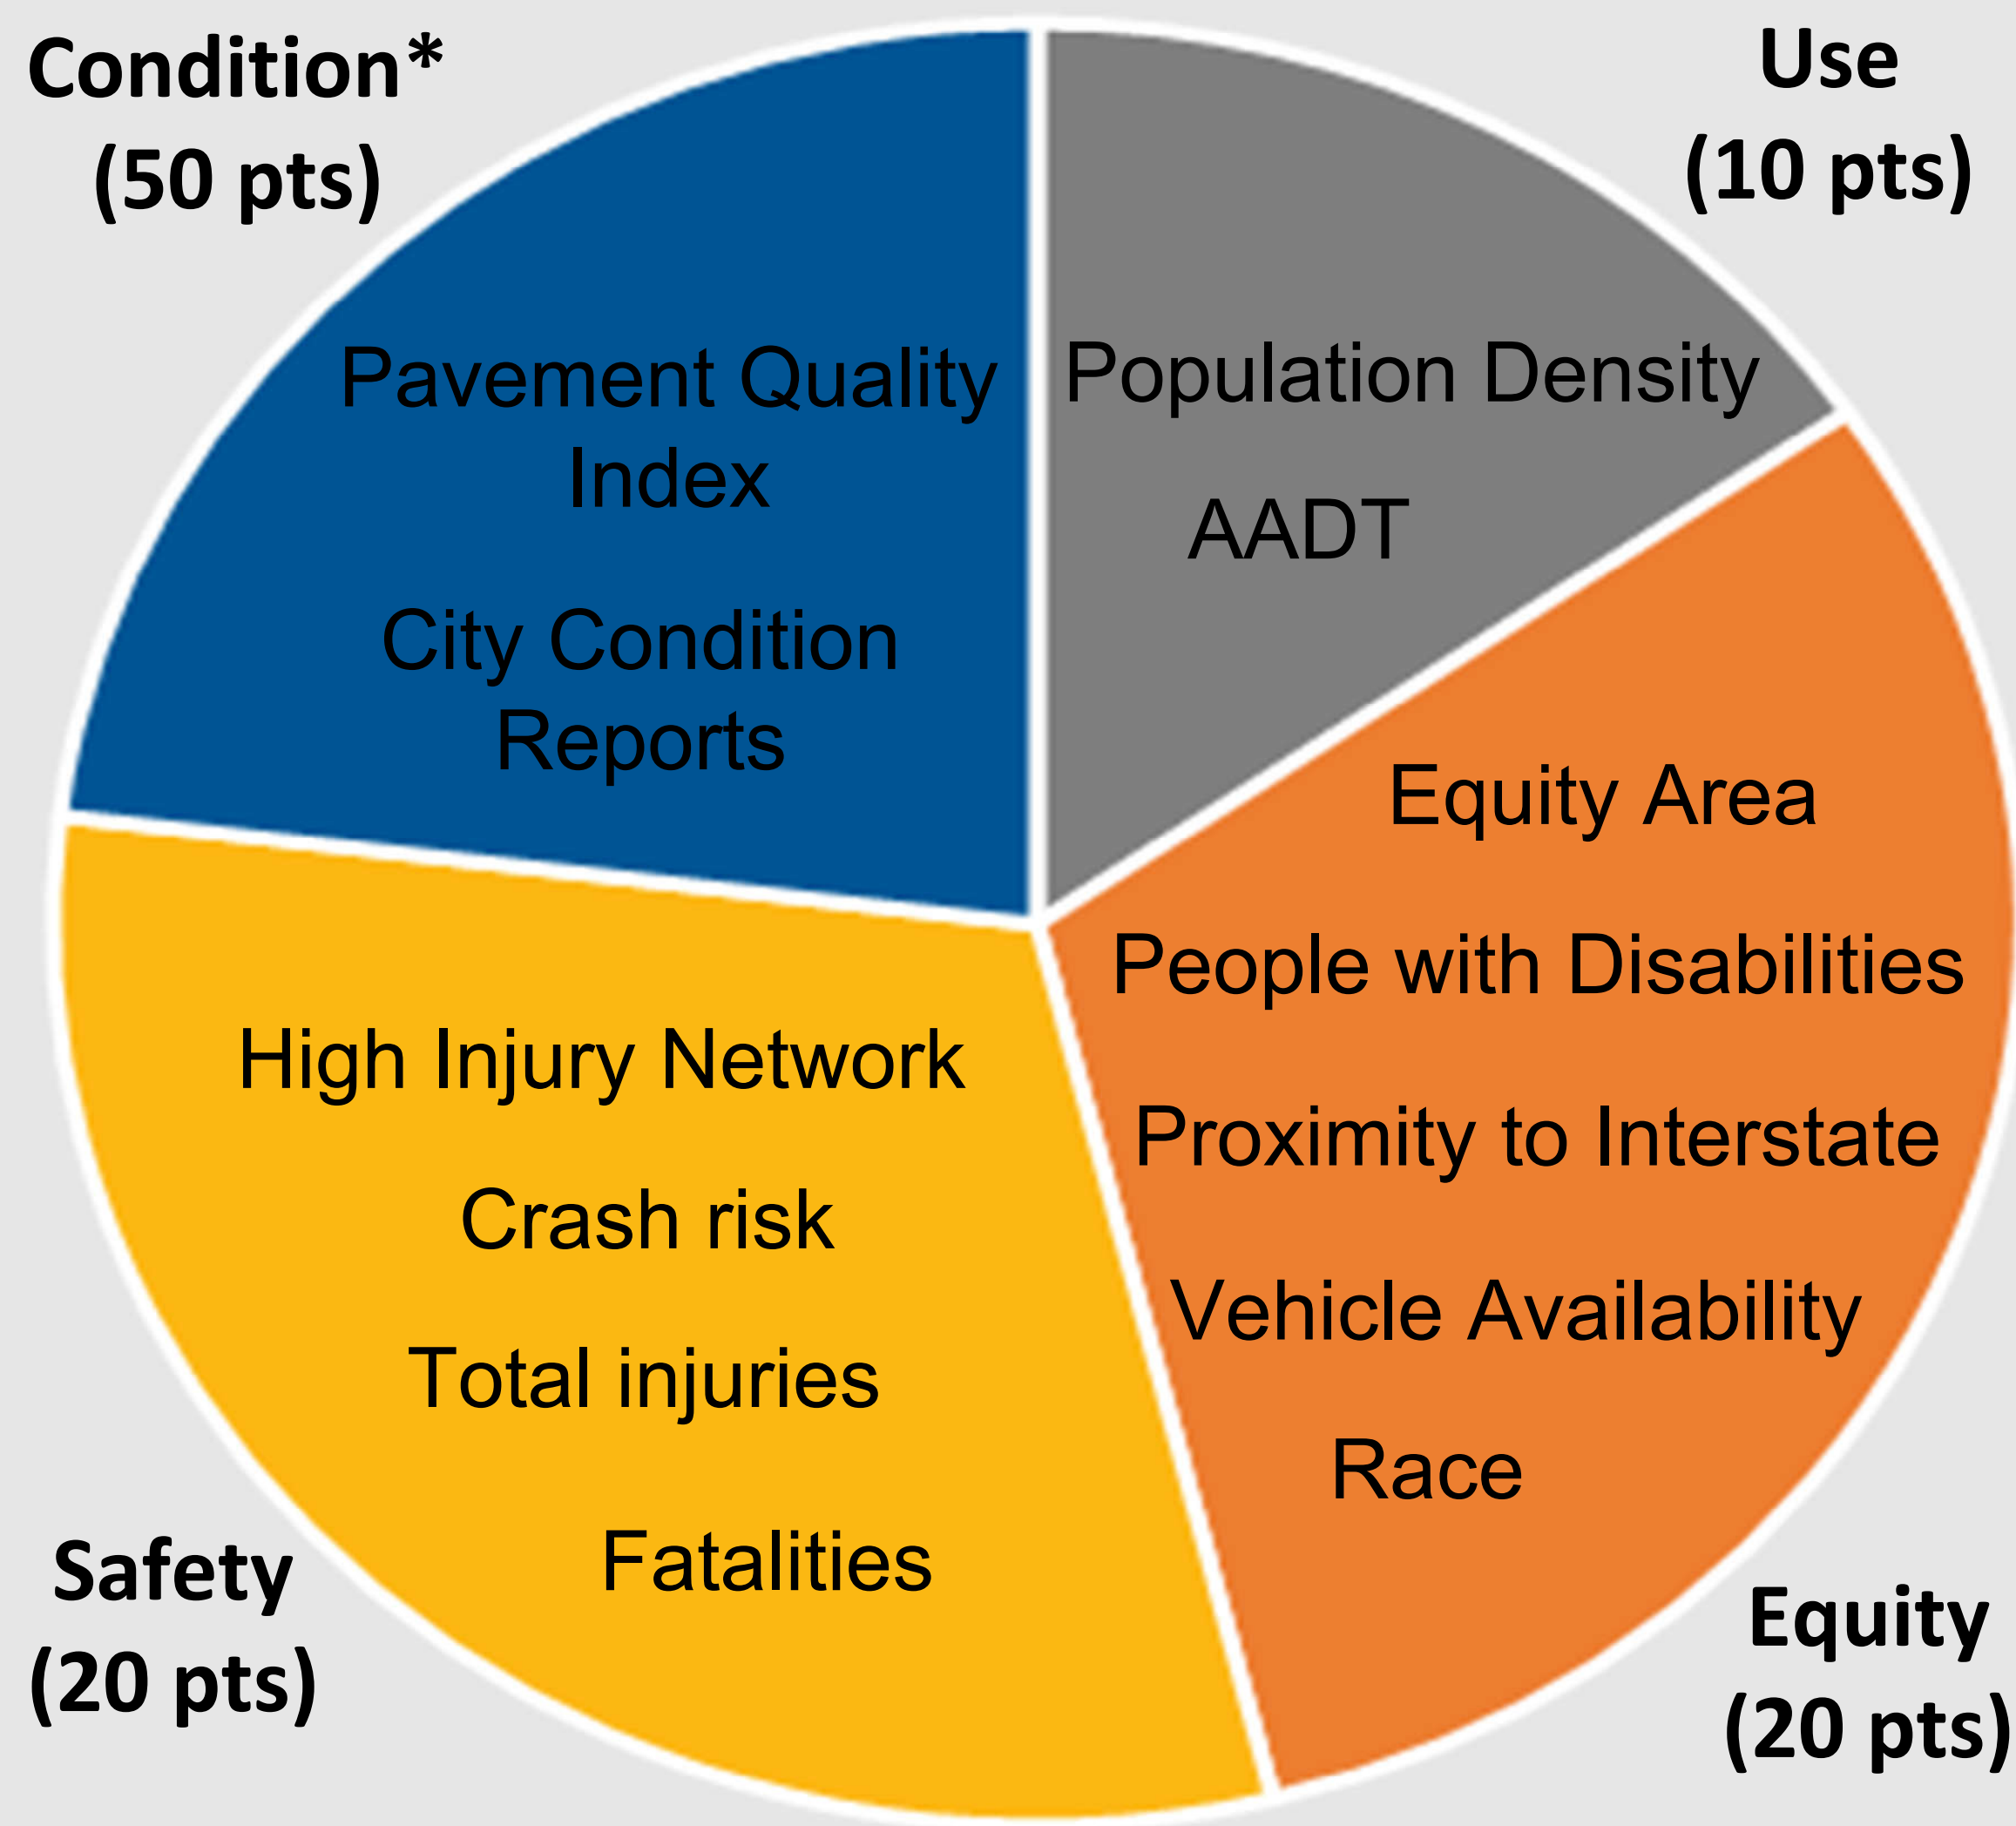

## Prioritizing Projects for Equity

### » City of Milwaukee's Racial Equity Action Policy (Adopted 2019)

- Develop or adopt policies, practices, & tools that explicitly address health equity
- Examine departmental policies, rules, & practices to ensure they are promoting equity
- Identify & track resource allocation to ensure City government engages in improving health disparities in a demonstrable way
- Strengthen outreach, public engagement, & partnerships with communities of color

### » Project Prioritization Methodology

- Objective datasets to score projects to identify those that best meet city goals and priorities

### » Funding for Community Groups

- \$5,000 for Active Streets participants for *Paint the Pavement*
- Three \$30,000 grants for *Interim Plaza* installations
